

Jewish War Vets Group Holds Party

The Jewish War Veterans Auxiliary 499 held its Annual Barbecue-Swim Party recently at the Gardena Swim School, 1890 W. Redondo Beach Blvd.

There was music, dancing, swimming and a buffet supper.

Gifts, supplied by Gardena and Torrance business establishments, were given to guests.

Circus Retakes to Rail Travel

The Ringling Bros. and Barnum & Bailey Circus has re-established itself as not only the world's largest circus, but also as the only circus in the nation traveling by rail.

The Greatest Show On Earth is scheduled to play Los Angeles at the Sports Arena beginning Sept. 7 for a 12-day engagement ending Sept. 18. Afternoon and evening performances will be given each day during the run.

Once again, small fry will awaken their elders in the early dawn to beg to be taken to the railroad station to greet the colorful circus train and to follow it to the railroad sidings to watch the circus unload.

Performers and technicians will ride in pullman and stateroom cars, while the animals and physical properties of the Big Show will be carried in identical cars.

Wagons, floats and animals will be unloaded on sidings in the various cities. Chains of vehicles will be pulled to the various areas where the circus will exhibit.

Lieutenant Says Drivers Neglect 'Turnout' Laws

Many motorists are not complying with the "turnout" law on two-lane highways, reports Lieutenant John M. Reed of the California Highway Patrol.

"Reports from the mountain areas of California show that a large number of drivers are not yet acquainted with this provision of the law, even though it has been in effect for almost three years, and applies to automobiles as well as commercial vehicles," Lieutenant Reed said.

The turnout law requires "slow moving vehicles, behind which five or more vehicles are formed in line, to turn off the highway at the nearest place designated as a "turnout" to permit the cars being held up to pass.

EMPLOYMENT RISE
Seasonal factors were responsible for increases in both employment and unemployment in July, two state agencies reported today.

John F. Henning, director of industrial relations, reported that civilian employment rose to 6,028,000, the highest employment total ever recorded in the history of the state. Employment this July was above July, 1959, by 145,000, or 2.5 per cent.

Local Man Heads Democratic Drive

Tom B. Carvey Jr., of Palos Verdes Estates, aerospace executive and Democratic leader, has been appointed co-chairman of the Los Angeles County Dollars for Democrats Drive, it was announced by the Los Angeles County Democratic Central Committee recently.

Carvey was named to head the 10-day drive, Sept. 9 to 19, with Mrs. Sophie Stamos of Glendale. Assemblyman George E. Brown Jr., of Monterey Park and Hal L. Hemmingsen of Glendale were selected as treasurer and assistant treasurer.

The Dollars Drive, which encourages all Democrats to contribute to their party, was initiated in 1956. Carvey said, and has proved the willingness of most persons to make small donations to the party of their choice.

Carvey has served the Democratic Party as an officer of the State and Los Angeles County Central Committees and as a delegate to the 1956 and 1960 Democratic Conventions. He is a member of the Governor's Advisory Committee on Mental Health and is chairman of the campaign committee for Charles P. Sohner, Democratic nominee in the 46th Assembly District.
